Public Presentation on the Development of a New Official Plan for Oakville

You are invited to a presentation on the initial studies that will help shape our new Official Plan:

- Midtown Oakville
- Uptown Core
- Kerr Village
- Employment Lands
- Bronte Village Revitalization
- Housing and Employment Opportunities

An Official Plan is a municipality's principal policy document governing future planning and development decisions. Discussing significant planning studies with the public is a vital and an important step for the Town as we create a new Official Plan.

Join us in making Oakville the most livable town in Canada:
